Sub: Empanelment of Hospitals.
Respected Madam,

ONGC provide quality medical services through empanelment of various hospitals at their work centers and in different cities to cover the operating stations of field employees. Necessary agreements were made with the hospitals for discounts and concessions on rates of various services.

The officers residing in and around Raipur and Bilaspur (Chhattisgarh), submitted a representation to medical section as well as ASTO regarding empanelment of following Hospitals,

1. Apollo Hospitals Bilaspur
2. Shree Narayana Hospital, Raipur and
3. Ramkrishna Care Hospital in Raipur.

Providing quality **medical facility** to field employees covering their operating station is very important which in turn help the productivity of organization. The quality medical services helps in reduction of overall cost of treatment and increase the availability of field employees. Since, the aforementioned hospitals are also ready to offer their services and medical section have received their request, the empanelment process need to be incited in expeditious way.

Therefore, it is requested to take necessary actions for the empanelment of aforementioned hospitals.

With Best Regards.

Piyush Narain Pathak,
President-ASTO,
Mumbai
