Sub – Director Offshore Trophy

Respected Sir,

Team building is strength of any organization and sports play a vital role to inspire the employees for the same. ONGC organizes many sports events for employee's engagement and recruit national level players as employees, which work as a motivation factor. In the same line, Director offshore Trophy was being conducted in WOU, Mumbai, for very long time. Before 2012 only cricket was included in this trophy, but post 2012 other sports were also included in this event. This sport event creates festival like atmosphere amongst employees of offices and field.

In view of Covid-19 pandemic from March 2020 onwards, organizing this event was not possible till now. Since overall Covid cases have drastically decreased and situation is under control, Government of Maharashtra has also allowed sports events to take place in Maharashtra. In the same line, in this relaxed situation this event can be organized in ONGC also. After facing huge challenges and tough time due to Covid-19 pandemic, Employees of WOU are now eagerly waiting for this event to be conducted. It will be in the best interest of all, if this event is now organized before transfer season starts.

This is to request you to issue necessary instructions to the concerned to initiate the process so that the event can be organized at the earliest and benefits can be extended to employees as well as organization.

With kind regards,

Piyush Narain Pathak
President
