Respected Sir,

Offshore Employees were performing longer duty period and mandatory quarantine period from March 2020 onwards. In view of substantial reduction in Covid cases, SOP for crew change in Mumbai offshore was last reviewed on 02.02.2022 in which quarantine period was reduced. Subsequently 14 days on/off duty pattern was restored on 09.02.2022. These two orders provided much awaited relief to all the offshore going employees.

Sir, now situation has further improved with regards to covid cases and Govt. of India as well as Maharashtra has also taken liberal steps and opened up many restrictions. Requirement of mandatory RT-PCR test is also stopped for double vaccinated personnel. Recently ICMR has also issued a circular stating no requirement of RT-PCR test for asymptomatic cases. Therefore, in the changed scenario, further review of existing SOP is urgently required.

In view of all the above, it is requested to review the mandatory RT-PCR test requirement for offshore deployment and restore the normal crew change process for the focused approach for operations and production.

With kind regards,

Piyush Narain Pathak
